5. 次の「過去と現在の食事風景」についての英文を読んで、下記の質問に答えなさい。

(A) The kitchen was known as a "woman's castle" as well as the children's favorite place in the house. The kitchen was a magical place for kids because their mother cooked delicious dishes for them every day with her "magic *wand." This picture has now become a part of history.

These days Mother and Father share the cooking ^(ア) chores in the kitchen while their children play video games or watch TV. Sometimes children can even ^(イ) defrost frozen dinners by themselves in the *microwave oven and get a bottle of milk out of the refrigerator. On weekends, they often eat out at a family restaurant or ^(ウ) order pizza from a nearby pizzeria. (B) The kitchen is no longer a magical place where fantastic dinners are produced.

In one science fiction movie of the 1980's, ^(エ) astronauts aboard a space station did not have to cook, but just pushed a button to choose what they wanted to eat. All foods were ^(オ) processed in the factory and were full of vitamins and other *nutrients. These people still missed their grandma's cooking, however.

(注) *wand つえ *microwave oven 電子レンジ *nutrients 栄養素
